I do hereby authorize ChiroCarolina, (Henry E. Rice D.C./Ferzaan A. Ali, D.C./R. Scott Saario, D.C.) to furnish my Insurance Co. with a full report of physical examination, diagnosis, treatment, prognosis, etc. of myself in regard to my injury, if requested by them.

I hereby authorize and direct payment directly to said doctor such sums as may be due on owing him for chiropractic service rendered me. I understand I am directly and fully responsible to said doctor for all medical bills submitted by him for service rendered me. This agreement is made solely for said doctor's additional protection and in consideration of his awaiting payment.

I have read and agree to be bound by the terms of his assignment of benefits. I have also been advised that if my insurance company does not cooperate in protecting said doctor's interest, he will not await payment but may declare this entire balance due and payable; these assigned proceeds shall not exceed amounts due and payable to said doctor for services rendered.

For the patients with health insurance…
The staff of ChiroCarolina has advised that the cost of my treatment for the injuries sustained in an automobile accident that occurred on _____/_____/_____ may be covered in whole or part by both my own health insurance and by the liability insurance of the party at fault.

The staff has informed me that if I file my own health insurance, I will be responsible for paying deductibles and co-payments and that any such payments will be billed to me. The staff has provided me with the factual information regarding the various forms of reimbursement available to me and has answered my questions.

I have decided that I do not wish to file any claims on my own health insurance. I hereby direct and authorize the clinic to send bills and treatment records only to my attorney, or to the liability insurance carrier, or to my own automobile insurer for the purpose of receiving payment under my Medical Payments, Uninsured or Under-Insured Motorist coverage, if applicable.

I understand that the clinic will rely on my decision and render treatment based on the assumption that payment will be received from sources other that my health insurance. I will not be expected to pay deductibles and co-payments, and third party payors will be billed at the clinic's usual rates rather than at discounted rates that may apply to in-network providers.

I understand that contractual and statutory deadlines may prevent me from filing on my own health insurance at a later date and that I should consider the decision I am making today not to file on my health insurance to be irreversible.

I understand that if for any reason, my liability claim is ultimately denied, compromised or litigated unsuccessfully, I will remain personally liable for the reasonable value of the treatment rendered to me by the clinic.

I, _____, do not want my health insurance filed.

To any insurance company with coverage applicable to my claim(s) and to any attorney representing me:

ASSIGNMENT OF BENEFITS

IN CONSIDERATION of the willingness of ChiroCarolina to treat me on credit without demand for payment at the time services are rendered, I hereby agree and stipulate as follows:

I irrevocably assign to ChiroCarolina any proceeds or compensation that I am or may become entitled to receive as a result of injuries that occurred on _____ (date of accident) to the extent of the chiropractic services rendered. I make this agreement without prejudice to any rights I may have to prosecute legal claims against any party who may be liable for my injuries, but I hereby authorize and instruct you to pay directly to ChiroCarolina, from any disability benefits, medical payments benefits, liability benefits, health and accident benefits, workers compensation benefits, judgments, settlements, or proceeds of any kind that would otherwise be payable to me, such sums as are due or may be due to ChiroCarolina for its services rendered.

I appoint ChiroCarolina as my attorney in fact to affix my name as an endorsement upon the reverse of any check or draft upon which I am named a payee and to deposit said check or draft and apply the proceeds to any unpaid balance I may have with ChiroCarolina.

I authorize ChiroCarolina to release to any insurer with applicable coverage or to my attorney or successor attorney any information regarding my injuries, prior medical history, or treatment as may be necessary to facilitate collection of proceeds under this assignment.

I acknowledge that I remain personally liable for the total amount due to ChiroCarolina for services rendered including any balance remaining after the application of insurance payments and settlement of judgment proceeds. If ChiroCarolina is required to take legal action against me to recover any unpaid balance on my account, I agree to reimburse ChiroCarolina for its cost of recovery including reasonable attorney's fees.
